## Logo

As part of our Mission Statement review the staff, governors and children decided that the school needed a new logo which more appropriately suited the school name and ethos. I hope you agree – it is a lovely design.

The new logo will be appearing on letters and signage around school from now on and we will be incorporating it into the new uniform from September.

We have had discussions and a vote with the children and have decided that from September KS2 children (Year 3-6) will change to pale blue shirts and a tie (wine and sky blue). KS2 jumpers will be V-neck to show the tie more effectively.

School will be providing all children with a new jumper or a cardigan across the school. If your child is in KS2 then they will also be provided with a tie.

Slaters and Sports line will be stocking the uniform ready for a September start.

## Celebrations

Congratulations to Miss Westwood (Nursery Teacher) who is getting married over Easter and will become Mrs Heaton.

## Class Dojo's

Please could parents be mindful that teachers are not at liberty to answer dojos in their own time. If they feel it is appropriate they will - but it is purely at their own discretion. Please use the school answer machine to report absences.
