Art Exhibition

The children's art work will be displayed in the hall on **Thursday 4th July from 3pm** for you to look at and purchase if you wish. They have worked very hard and I'm sure you will be impressed with the standards across the school.

Year 5

Well done to year 5 who took part in a Primary Engineer project over the last couple of weeks. Mr Glazebrook, the teacher, was very impressed with the standard of engineering and evaluations.

Y5 will be going on a visit to St Edmund Arrowsmith on Wednesday 3rd of July. They will experience a sample of lessons and will need to bring a packed lunch. The children come to school as normal in full uniform. The coach will be leaving promptly at 9am and will arrive back at school before the end of the school day.

School Dinners

From September the school will be taking over the running of the school kitchen. This will allow us to ensure the quality of food is at the highest of standards and also gives us more flexibility in what we can offer the children. It also means that the children can order a school meal on the day and do not have to pre order well in advance. Children who normally have a packed lunch can order a meal on the day if they wish or choose a sandwich option. Prices will remain the same at £2.30 per meal.

(PTO for sample menu)

Tuck shop

In order to raise money for new sports kit (with new school logo) we will be selling ice pops, drinks and treats on Fridays of the last 3 weeks. We suggest children bring 50p - £1.

Any donations of ice pops gratefully received
