Mission Statement Review

Before Christmas we advised that we were updating the school's Mission Statement in consultation with children, parents, staff and governors.

Thank you to everyone who sent back their questionnaires as these provided valuable contributions and thoughts to our vision going forward.

We now have an agreed statement which will replace our current one and this is:

Love, Live, Learn

At Holy Family we **love** Jesus and each other, **live** life to the full and **learn** with joy and spirit.

Our Aims:

- To live and love as a Christian family, inspired by the values of Jesus.
- To nurture every aspect of the individual encouraging them to aspire, flourish and learn
- To encourage a strong partnership between home school and the wider community

I hope you feel that this is an accurate reflection of the school's ethos and vision for its whole community. A more detailed version including objectives of day to day practice will be on the website soon.

In light of the changes and improvement in school the staff and governors feel that it is an appropriate time to review the school logo and uniform. This again will hopefully capture more effectively the ethos of the school and take into consideration the values and voice of the whole school community.

More information will follow.

Thank you to everyone who contributed to the Food bank – our donation was very gratefully received

OFSTED

We are hopefully having a visit from Ofsted before the end of this academic year and the staff, governors and I are very positive that the current grading for the school will be changed. They will want views from parents so can I please encourage you all to go on the Ofsted Parent View site and register your views.
